

# Reception Lilies Update: Week 4

This week in class we have been doing lots of activities relating to the story 'The Gingerbread Man'. The children have made gingerbread men, designed gingerbread men, counted them, experimented with 'ginger playdough' and learnt the vocabulary from the story.

This week in 'Drawing Club' we designed our own gingerbread men, thought about what else the old lady might bake and discussed how else the gingerbread man could escape from the old lady's kitchen. The children have been fantastic!

## Maths

This week in maths we have been practising counting and recognising our numbers to 10.

## Phonics

The children have been busy learning more new sounds this week in our phonics lessons.

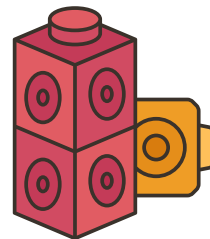

The captions for this weeks letters are:

b - "down the pirates plait & around his face"

g - "round the girls face, down her hair & give her a curl"

o - "all around the orange"

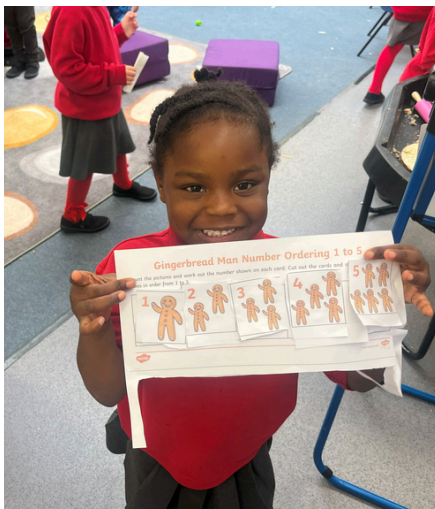

c - "curl around the caterpillar"

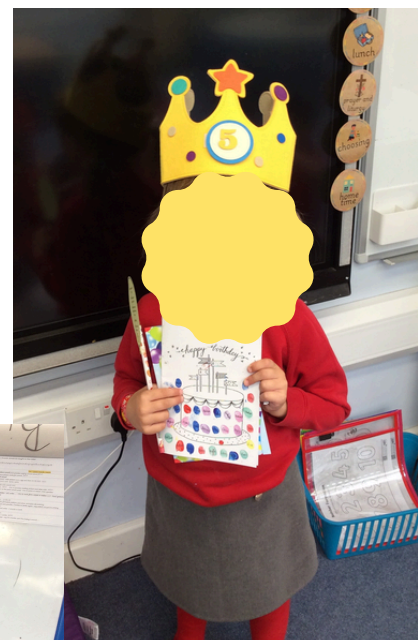

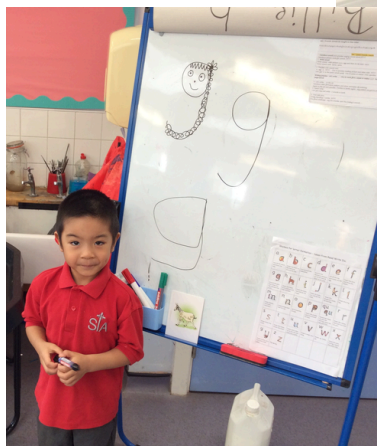

We will add the links to the videos to help with letter formation to Teams if you would like to practise with your child at home.

# Making our very own Gingerbread Men...

The children had so much fun making their own Gingerbread Men and were very happy they didn't run away!!

# National Poetry Day with our Year 5 Buddies

Thursday 2<sup>nd</sup> October was National Poetry Day. We had a visit from our Year 5 Buddies who shared the poems they had written in class with us. We also shared a poem we had learnt about the Gingerbread Man (I will upload a video of the children performing this to Teams).

# Optional Homework

Next week we will be looking at the story 'The Leaf Thief'. This is a book about Autumn. It would be fantastic if you could take your child on an 'Autumn walk' to see if they can spot some signs of Autumn happening around them.

## Autumn Hunt Checklist

☐

conker

☐

fungi

☐

chestnut

☐

bare tree

☐

squirrel

☐

berries

☐

brown leaf

☐

pine cone

☐

orange leaf

☐

yellow leaf
