

# Reception Lilies Update: Week 6

This week the children have been working very hard in class on their phonics, maths and writing skills. They also worked so hard on their assembly song and we are so proud of them for standing up and singing in front of such a large group of parents and grandparents.

Two performances in two days is a fantastic achievement in their 6<sup>th</sup> week at school!!

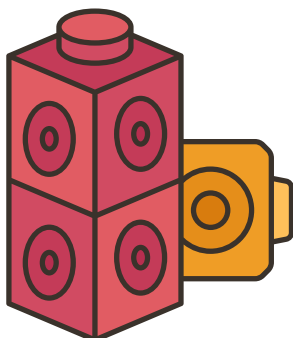

This week in 'Drawing Club' the children have been looking at the story of 'Willo the Wisp'. Willo the Wisp is a cartoon from the 1980's and as part of drawing club we use these types of cartoons to inspire the children's ideas and imagination.

The children have looked at the characters from the story, the setting and also had fantastic ideas for the adventure writing sessions. We have invented ways of getting the moon down from the sky, thought of what we could create with a magic spell and what the children would like to put in their own 'think clouds'. Their ideas have been amazing!

## Maths

This week in maths we have been learning about the numbers 1 - 5 with a focus on number 1. We have also played games which have been helping the children to 'subitise' - this means knowing how many without counting.

## Phonics

This week we have learnt the sounds:

f - 'down the stem and draw the leaves'

e - 'lift off the top and scoop out the egg'

l - 'down the long leg'

We will add the links to the videos to help with letter formation to Teams if you would like to practise with your child at home.

The children have been practising recognising all the sounds we have learnt so far in class. They have also been practising the letter formations and blending sounds to make words.

So far the children have learnt: m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e, l

## Reception's First Assembly

Outstanding Performance!

Our AMAZING Reception Superstars!!!

Well done to all the children for their fantastic performances this week at the Grandparents Afternoon and at their assembly.

## RE in Lilies Class this week..

In RE this week the children have been learning about being part of the family of St Anthony's school. We went on a 'hunt' around the school - looking for staff, finding the chapel, we found the statue of St Anthony and spotted that he was holding some Lilies and we joined in with prayer and liturgy sessions.

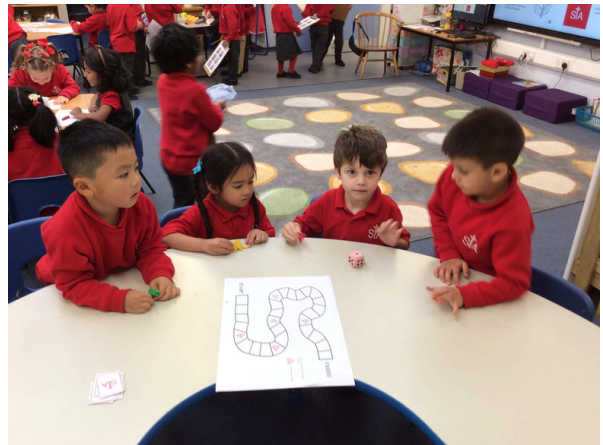

## This week in Lilies Class....

Numberblocks  
Outdoor play  
Drawing club  
Magic potions  
Phonic sounds

# This week in Lilies Class....

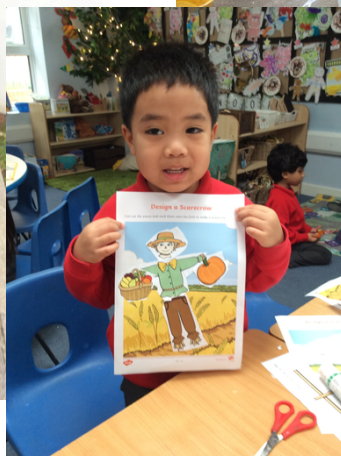

Happy  
Birthday  
Niya

Mixing outside  
Tuff tray fun  
Playing turn taking games  
Pencil control

# This week in Lilies Class...

Exploring our school  
Reading books  
Creative activities  
Making scarecrows

# STAR OF THE WEEK

**A HUGE WELL DONE THIS  
WEEK GOES TO**
