- Children have worked in groups to plan an alternative Bolognese recipe.

At the end of term children will be making their alternative version of a bolognese sauce, which they have planned in groups. We have asked the children to keep a jar or container aside to bring in for the final lesson so they will have something to bring the sauce home in. The Padua pupils will be making their sauce on Tuesday 14th July and the Lisbon pupils will be making their sauce on Wednesday 15th July. The pupils will come home with a list of ingredients they will need to provide, please can these be brought into school on the morning of the day that they are cooking.

Extra information

- Wednesday 8th July is the Year 5 and 6 *A Hint of Snow White* Production. The performances are at 2pm and 7pm. The evening performance will be ticketed, there will be two tickets per pupil.
- Please can children in Year 5 bring in some woodland themed clothes for the performance. This could be something green, or brown or floral. We expect the hall will be warm so it might be worth avoiding long sleeve or thick fabrics. Please can this be brought in by Friday 3rd July.

Have a lovely weekend,

The Year 5 team 😊
