Year 1 Update

Friday 9th October 2026

RE

- This week, children have learnt about how we are stewards of Gods world.

Pre-Teaching:

- Next week, we will continue to learn about how we care for God's world.

English

- This week we have continued reading 'Puffin Peter'. Children wrote their final draft on their Puffin Peter story.
- We begun to explore poetry including nursery rhymes.

Pre-teaching:

- Next week, children will be continuing to look a poetry.

Maths:

- This week, children were learning to regroup numbers in order to find a total eg. I can see 5 blue dinosaurs and 3 orange dinosaurs. I know 5 and 3 make 8 altogether.

Pre-Teaching:

- Next week we will continue to rehearse the use of tens-frames and part-whole models.

Science

- This week we continued our new topic, 'Seasonal changes'. Children were learning how daylight hours change across the different seasons.

Pre-Teaching:

- Next week, children will be collecting data on the average daylight hours in each season.

Key Vocabulary			
RE	English	Maths	Science
God Steward Care Laudato Si'	Capital letter Full stops Spaces Storyboard events	Part – whole Altogether Tens frame More less	Daylight hours Season Sunset Sunrise data

Reminders/messages:

- **Tuesday 13th October** – Grandparents Community afternoon- **2pm-3.20pm**– see September's newsletter for details.
- **Thursday 15th October** – Year 1 Parents' Assembly at **9.15am**. Parents are invited back to the classroom after the assembly until 10.10am to complete an activity with their child.

Homework

Please complete the next sentence in the book and return this to school by next Thursday.

Children should use a sharp pencil to write with.

MyMaths homework is set every Friday and due the following Friday.

Thank you for your support.

Have a lovely weekend,

Bella & Elisha
